Jakir Hossain  
Senior Vice President  
Ollyo  
House 1, Patira, Khilkhet, Dhaka - 1229 Bangladesh

Dear Mr. Hossain,

I am writing to apply for the position of Full-Stack Developer as advertised on the official Ollyo website. With my strong academic background and three years of practical experience in web development, I am confident that my skills and passion for innovative technology align perfectly with Ollyo's objectives.

I completed my B.Sc. in Computer Science and Engineering from American International University-Bangladesh in 2021 with a CGPA of 3.95. I am pleased to inform you that I began my professional journey with an internship in Front-End Development at 10PixelUI in 2021, followed by a one-year role as a Front-End Developer. Subsequently, I joined Technext as a full-stack developer in 2022, where I have successfully completed over 25 projects involving ReactJS, PHP, MySQL, HTML5, and CSS3. My experience has strengthened my skills in responsive web design, database optimization, and Agile collaboration.

I am highly interested in joining Ollyo because of its innovative environment, technology-driven projects, and professional development opportunities. I firmly believe that my background, combined with my punctuality, honesty, leadership qualities, and eagerness to embrace next-generation technologies, aligns well with Ollyo's vision and culture.

I would appreciate it if you could kindly consider my application for this position. Please do not hesitate to contact me if you require any additional information or documents. I am available at your convenience for an interview to further discuss how my qualifications can contribute to Ollyo's continued success.

Sincerely,

# Pronoy Rahman
